MEMORANDUM FOR: Deputy Director for Administration

FROM:

  
Director, Foreign Broadcast Information Service

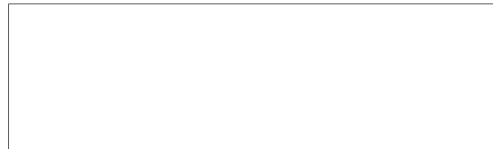

STAT

SUBJECT: FBIS Overseas Office Location Policy

1. FBIS policy is to attempt to locate our overseas office facilities within Embassy buildings or compounds whenever possible to improve the security posture of our installations. It should be recognized that our requirements for antenna facilities and access by foreign nationals sometimes prevents our desired collocation.

2. The Chief of our Administrative Staff will continue to work through DDA/SA/FBO as the focal point for all facilities construction planning.
